

SN.

CHIEF FINANCIAL OFFICER · ISTANBUL

Servet Namlı

I turn financial discipline into a platform for better decisions.

With more than 20 years of experience, I connect finance strategy, treasury, governance and operational transformation to support resilient growth and lasting enterprise value.

20+

YEARS OF FINANCE LEADERSHIP

● ISTANBUL · TÜRKİYE

SELECTED TRANSFORMATIONS

D.REAM · DOĞUŞ

Finance operating model built from the ground up

Finance organisation, chart of accounts, ERP integration and management reporting were built as one programme.

2 YEARS · FINANCE PROJECT LEAD

XEROX TURKEY

Controlled transition to a regional service model

The dealer and distributor model was redesigned while business continuity and financial control were preserved.

14 MONTHS · CFO / PROGRAMME LEAD

KARAOĞLULARI A.Ş.

Scalable governance and operating model

Processes, policies, accountability and B2B renewal were combined within a measurable management framework.

PROCESSES · POLICIES · B2B

NEW INDUSTRIAL INVESTMENT

Tyre plant investment preparation

Feasibility, partnership, incentives, land and financing were coordinated to support the capital-allocation decision.

END-TO-END INVESTMENT ASSESSMENT
